

Dear All,

Due to a COVID outbreak we have received the following update from our agents today:

- Shenzhen warehouses are closed for both loading and unloading, expected for 7 days currently.
- Hong Kong - open and running, although COVID numbers are rising swiftly. Operations will be monitored.
- Shanghai/ Ningbo / Xiamen - open and running as before
- Tianjin / Qingdao - open and running as before

We hope this will be a temporary lockdown, however, please take note we are monitoring the situation daily and using other routings where possible to keep cargo moving.

Unfortunately, any cargo already in the closed warehouses will remain there until the government allow for re-opening.

If you have any questions on a particular booking, please direct to our import team: laura.maunder@tenens.com; angela.woplin@tenens.com

Thank you for your patience,
Howard Tenens Logistics Ltd
