

Dear All,

Please note, that with immediate effect, all companies shipping from the UK to Northern Ireland are now required to have both a GB and XI EORI Number.

Transport companies will no longer be able to accept bookings unless you have both the GB and XI EORI numbers.

TSS will no longer allow goods to be shipped without the above EORI information. The current option to manually add addresses to facilitate the movement of your goods, will also cease.

To comply, you can register for your GB and XI EORI numbers online at: <https://www.gov.uk/eori/apply-for-eori>

Official help and guidance is available online at: <https://www.gov.uk/eori/eori-northern-ireland>

If you have any questions on a particular booking, please direct to our import team: laura.maunder@tenens.com; angela.woplin@tenens.com

Best Regards,
Howard Tenens Logistics Ltd
